Tournament History

The tournament was created as opportunity to bring together boys teams from US and Canada, from around the Pacific NW and the western Canadian provinces, to enjoy high level competitive volleyball. In 2012 the team brought together teams from Alberta (6), British Columbia (8), Idaho (1) and Washington (3). Last year in the inaugural instance of the tournament, 16s, 17s, and 18s teams were encouraged to register. For 2013 however, all ages are welcome and will be seeded into 14s, 16s and 18s flights.
